Hi all!

Attached here are the workshops and material created for presentation in the Morehead and Ashland offices by the staff. Some are still a work in progress but we thought we would share in case its helpful as you all develop workshops etc. Do you have any you would like to share with us? I'm always a fan of recycling material when we can!

Im proud of all of these but check out the prezi's – they are pretty neat! 😊

These are the prezi's Delores created for the two workshops. [Workplace Attire Workshop](#) [Teamwork in the Workplace Workshop](#)
