

TENCO Workforce Development Board Supply List

2026 – 2027

*All programs are eligible for a Jump/Thumb Drive and Calculator.

*Items are to be purchased once per program, unless otherwise specified on the Supply List.

*Pre-approval from the Assistant Director is required for all other items that require an additional purchase. The request must include the reason the item needs to be purchased again.

*This supply list is valid through June 30, 2026 and will not be modified unless a new program of study and/or school is approved or documentation supports new testing/exams/licensures for specific programs.
