

# ON-THE-JOB TRAINING

## What is an OJT?

Hire the talent you need and train them on the job! Our On-the-Job Training (OJT) program helps employers to compensate for the costs associated with skills upgrade training for newly hired employees and lost production of current employees providing training. An OJT can assist employers looking to expand their businesses and need additional staff with specialized skills.

## Employer Benefits:

- Teach necessary entry-level skills
- Employer reimbursement for training wages for up to 6 months
- Provide long-term employment for participants
- Participant wages are similar to employees
- Reduce turnover through personalized training
