

BUILDING KENTUCKY'S FUTURE WORKFORCE

PUTTING YOUNG KENTUCKIANS TO WORK

Does your company have a current need for employees? **LET US HELP!**

Through the **Putting Young Kentuckians to Work (PYKW)** program, your company can provide high school and college students with meaningful work experiences while helping them build employability skills, confidence, and specialized industry experience.

WORK EXPERIENCES & ON-THE-JOB TRAINING: Up to 250 hours available

WHY PARTNER WITH PYKW?

- 100% of participant wages are covered by the program
- Worker's Compensation is covered
- Help develop the next generation of your workforce
- Support your local community and economy
- Introduce young people to careers in your industry
- Participants gain real-world skills and experience
- Participants are trained and ready for employment when the program is completed

PROGRAM BASICS

- **Understand the Program:** Know expectations, tasks, hours, and reporting
- **Stay Connected:** Keep in touch with your program contact
- **Provide Meaningful Work:** Assign tasks that build skills and confidence

LEARNING & DEVELOPMENT

- Encouraging career exploration
- Offering job shadowing or Q&A opportunities
- Introducing them to different roles within your industry
- Building communication and teamwork skills
- Connecting classroom learning to real-world work

**BUILD SKILLS.
BUILD CONFIDENCE.
BUILD THE WORKFORCE.**
