

PUTTING YOUNG KENTUCKIANS TO WORK!

Step 1

Career Exploration

Meet with our career coach to learn about and explore high-demand jobs and careers in your area, tour businesses, use career virtual headsets, and learn what it takes to "Own It" through Entrepreneurship.

Step 2

Essential Skills Development

Gain skills in completing applications, interviewing, and showcasing your skills to get and keep a good quality job by participating in a Work Ready Club!

Step 3

Mentoring

Connect to Human Resource Managers and learn the real ins and outs of a day in a job that fits with your interest.

Step 4

Youth Job Fairs

Get the job you deserve - attend a local youth job fair where you can meet local businesses interested in hiring you!

Step 5

Work-Based Learning

Earn wages while learning about different jobs that fit your interests. Gain valuable experience and land that job!

Step 6

Occupational Skill Training & Support

Need short-term training to land your targeted career? Talk to us about grants for short-term training opportunities. Get the credentials and market your skills.
